Our inspiration:

Grandma Ruth

< RUTH PALMER BLOUNT

Grandma Blount was the glue that held our family together. She loved to cook as much as she loved to eat, and she passed this love down to all of us. We often say this brand was "born from a love of food," and she's the matriarch behind it all.

As homage to my grandma, we have hidden the initials "B, F & K" inside the pattern of every cup of soup (and within some of the patterns in this book!) Try and find them. Some may be easy to find, some may be hard, but the hunt will put a smile on your face - just like it did for her 40 grandchildren!
