## OUR STORY

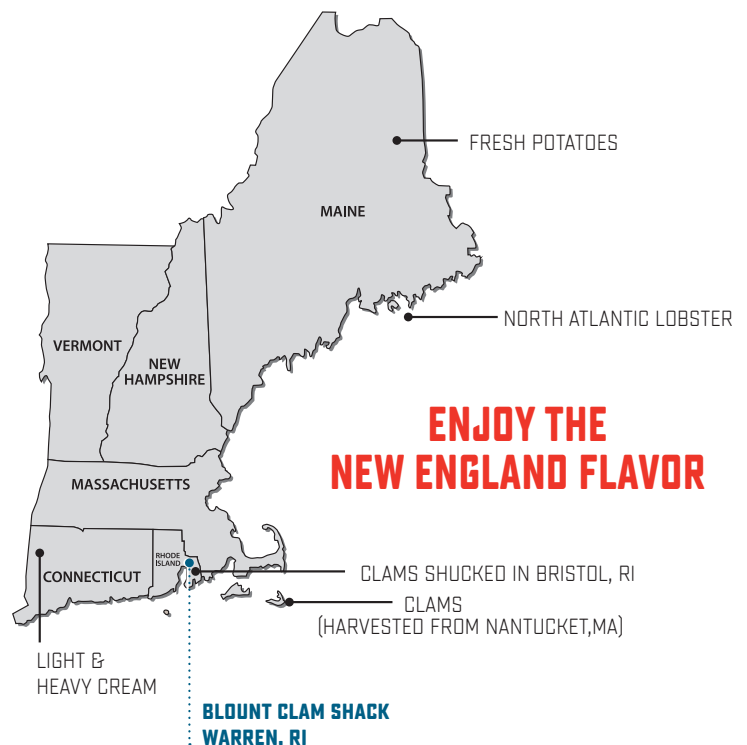

STEAMING CLAMS FOR SHUCKING  
WARREN, RI - CIRCA 1957

HARVESTING CLAMS ON  
WARREN'S WATERFRONT  
WARREN, RI - CIRCA 1957

For over five generations, our family has been in the business of seafood. Our journey began when Eddie B. Blount started an oyster packing firm in Barrington, RI in 1880. By 1946.

Today, Todd Blount, leads Blount Fine Foods as the largest fresh soup manufacturer in the country. Always keeping our local seafood roots close to our heart.
